

The background of the slide is a photograph of a city skyline at sunset. The sun is low on the horizon, casting a warm, golden glow over the buildings and the water. In the foreground, there is a marina with several sailboats docked. The water reflects the city lights and the sunset. The sky is a mix of orange, yellow, and blue.

Bentley®

The Year in Infrastructure

2024 Going Digital Awards

Program Overview

What are the *Going Digital Awards in Infrastructure?*

- ◆ A prestigious global program that recognizes **digital advancements** in infrastructure
- ◆ Celebrates outstanding **infrastructure projects** by Bentley users
